

TECHNICAL DATA SHEET

VIA Soft Soap

Pure potassium soap from vegetable oils, free from perfume, colourants and preservatives

VIA Soft Soap is a pure potassium soap made from vegetable oils, free from perfume, colourants and preservatives. It is the simplest form of care for cement-bound floors and is suitable for allergy sufferers and sensitive rooms.

Like VIA Tile Soap, the soft soap also builds up a thin soap film with every mopping cycle which protects the absorbent face layer. It is unperfumed and colourless in effect and is therefore particularly suitable for light floors.

PRODUCT

Composition

Base	Potassium soap from vegetable oils, mainly linseed and rapeseed
Water	30 % and above
Potassium soap	15 % and above, but less than 30 %
Glycerine, soda, potash	less than 5 %
Perfume, colourants, preservatives	none
Colour	brown
Odour	soapy, unperfumed
pH value of the concentrate	12
Density	1.02 g/cm ³

APPLICATION

Dosage and Application

Guide dosage for routine cleaning

- 1 Preparing**
Dissolve approximately one tablespoon of soft soap in 10 l of lukewarm water.
- 2 Mopping**
Mop damp. The floor must not be left wet, change the mopping water frequently.

3 Do not rinse

Do not rinse with clean water. The remaining soap content is the desired care film.

4 Building up

On new surfaces repeat the first mopping cycles at short intervals so that the film closes evenly.

OVERDOSING

Overdosing leads to a sticky film that attracts dirt. If in doubt, use a lower dosage and mop more frequently.

IMPORTANT INFORMATION

Important Information

- Do not use acidic or abrasive cleaners.
- Do not use on freshly oiled surfaces before the oil has fully cured.
- Do not apply the concentrate undiluted to the surface.
- Store cool, frost-free and closed.
- Do not allow to enter drains.

SAFETY

Labelling

Warning

Classification

Skin Irrit. 2, Eye Irrit. 2

H315

Causes skin irritation.

H319

Causes serious eye irritation.

The classification refers to the undiluted concentrate. Further information is given in the safety data sheet for VIA Soft Soap.
